About People's Welfare Society and the College

Dr. Madhukarrao Wasnik P.W.S. Arts and Commerce College located at Kamptee road, Nagpur completed 50 years of its journey of academic excellence in 2018 being one of the oldest colleges affiliated to R.T.M. Nagpur university in the central India. The college celebrated its Golden Jubilee as a grand function in January 2019 in the august presence of Shri. Nitinji Gadkari, Union Minister, Government of India being the chief Guest of the function.

"Educate, Organize and Agitate" was a dynamic message given by Dr. B.R. Ambedkar to all the deprived classes for their social development. After the Conversion of Buddhism in 1956 there was an upsurge of revolution of Ambedkarism in the nation. Education is the only source for the upliftment of the depressed and oppressed class and I owe something to society; following these ideals Dr. Madhukarrao Wasnik established the People's Welfare Society in 1967. The visionaries like Dr. Balraj Aher, Justice R. R. Bhole, Shri. A. D. Meshram, Dr. Sankale and Shri. Wamanrao Gedam fathomed the acute need of higher education facilities in the north Nagpur and it was only due to their foresightedness that Dr. Madhukarrao Wasnik P.W.S. College was established in 1968 near Indora Square at Kamptee road with a few students in this area. Since the establishment the college has brought social awakening among its neighbouring locality and has helped a lot to build the career and prosper their lives to the students from marginalized society living in this North region. The People's Welfare Society enlarged its scope and established another centre of higher education in Kalmeshwar in Nagpur district under the name Indira Gandhi Arts and Commerce College in 1984 to facilitate the opportunities of higher education to the rural students. Keeping in mind the acute need of advanced English learning for children in this area the Peoples Welfare Society also took initiative to start a CBSC Public School in 2014-15 entitled as Nagpur Public School to provide hi tech education in affordable expenses.

The college first won the Nagpur University Hockey Championship in 1972 under the stewardship of Dr. Balraj Aher, the former Registrar of R.T.M. Nagpur University the foundation Principal of the college and Prof. Narvariya, the then teacher in the Department of Physical Education. Since then a strong tradition of Sports, National Service Scheme, National Cadet Corps, and Extra-curricular activities exists. The considerable number of students of the college regularly feature in the University Merit Lists for their academic excellence and also bring laurels in sports and extra-curricular activities. The college hosted the first Akhil Bhartiya Dalit Sahitya Sammelan in 1976 under the able guidance of Dr. Madhukarrao Wasnik along with Dr. Yashwant Manohar and Dr. Bhau Lokhande. The college has National Service Scheme Unit of 200 volunteers which is one of the oldest National Service Scheme Unit of the R.T.M. Nagpur University which has made its mark on the face of the times with their state and national level achievements.

The college NSS unit always documents a huge students participation in A Dhamma Sandesh from Dikshabhoomi, a social Campaign held on Every Dhamma Chakra Pravartan Din since last decades. The college has a big institutional library being one of the biggest libraries in the North Nagpur with a vast collection of 46,543 books on various subjects to quench the thirst of knowledge of the students. The college campus is fully Wi-Fi along with a big ICT lab to enhance the global competence of the students.

With the trust and co-operation from its learners the small sapling which was planted by Dr. Madhukarrao Wasnik in 1968 has now turned into a gigantic tree in the form of a big Campus at kamptee road, catering to the needs of education and employment of the poor and backward students in this region. It provides multi facilities to its learners, a big building with spacious class rooms, digital class rooms, Ph.D. Research Centre, well equipped library with separate reading rooms for students, staff and Research scholars, a big computer lab, language lab, modern gymnasium, Siddharth Auditorium for academic deliberations and cultural activities, big play ground, canteen and a lush green beautiful garden. Till the date, the college has contributed to the university with more than 40,000 skilled graduates and post graduates who have added feathers in the cap of institution with their achievements in academics, sports, NSS, NCC and cultural wings. A large number of alumnae are working in various fields as high rank government officials and are acknowledged as renowned artists, industrialists and businessmen in India and abroad. Since its establishment, the college has been pioneer in various social movements and has played a pivotal role in enhancing the intellectual prosperity of the poor and needy. Till the date the college has efficiently faced three NAAC assessment cycles and it has been reaccruited with B+ by NAAC for its academic achievements in its third cycle in 2017.

Till the date a number of renowned national leaders, profound thinkers and orators, literates, poets and social thinkers like Shri. Nitinji Gadkari, Shri. Dattaji Meghe, Shri. Banwarilal Purohit, Shri. Girishji Gandhi, Dr. S.N. Pathan, Dr. V.S. Sapkal, Shri. Vilas Muttemwar, Dr. Nitin Raut, Shri. Sushil Kumar Shinde, Dr. Gangadhar Pantavne, Baburao Bagul, Daya Pawar, Namdeo Dhasal, Dr. Yashwant Manohar, Dr. Bhau Lokhande, Dr. A.H. Salunkhe, Dr. Narendra Dabholkar, Sripad Bhalchandra Joshi, Dr. Jawed Pasha, Shri Arvind Mali, Dr. Vasant Aabaji Dahake, Mahakavi Sudhakar Gaydhani, Dr. Umeshbabu Choube, Dr. Babasaheb Keder, Dr. Madukar Rode, Bhante Nagarjun Surai Sasai, Rawsaheb Kasbe, Dr. Jemini Kadu, Bhante Vimalkirti Gonsari, Dr. Pankaj Chadekar, Dr. Arun Satputle, Shri. MESSAGE FROM THE CHAIRMAN

Dr. Madhukarrao Wasnik (Ex. MLC)

M.B.B.S., D.C.H., M.A. (Public Administration), L.L.M.

Dear Students,

Education is the only means which opens the doors to wisdom, intelligence and progress. Following the ideals of Dr. Babasaheb Ambedkar, Dr. Madhukarrao Wasnik P.W.S. Arts & Commerce College was established. It has opened new avenue for the students from marginalized sections of society since 1968. In spite of many economic challenges and social hurdles the college has progressed and has secured "B+" (Third Cycle) accreditation of NAAC. I feel very elated that the institution has completed its glorious golden journey of academic excellence but I feel that we have to saddle with double responsibility towards the society in the post golden jubilee period.

Today the field of education has been hi-tech, Computer enabled and education has become the need of the hour. All these facilities have been facilitated to the students in our college. Therefore our students are making progress and succeeding in competitive exams, technical fields and getting employed in various industries. I have always aspired that the students, of my college will compete with other students on the global platform and have a successful life. Dr. Babasaheb Ambedkar, being our inspiring force, had also overcome all difficulties and achieved a special Pedestal for himself internationally. His life has been exemplary for many of us and I hope my students will also follow his ideal and make progress in life. I also hope that the students will become ideal citizens and repay the society with their good deeds.

At the last I would like to appeal to all who are the sojourners with this institution since last 50 years. let us take this caravan of Dr. Babasaheb Ambedkar miles ahead in the interest of poorest of the poor and the needy and keep the flame of education alive equally to all.

I heartily welcome all the new comers with embracing love and affection and wish you all a very bright and prosperous career.

Thank you!

The Study Circle has also established a Commerce Lab where students get the practical exposure of all commerce related operations. The Circle also arranges live telecast of the Union Budget and organizes Budget Analysis Sessions.

To develop among students love for literature, the Circle organizes Creative Writing Workshops and programmes on the anniversaries of famous litterateurs. The Circle has also set up a separate forum for promoting reading habits as well as introducing to students the best world literatures. The forum also publishes wall magazines and organizes book review competitions.
