## ACTION TAKEN REPORT 2018-19 ON GREEN AUDIT

Based on the recommendations provided by Nutan Urja Solution, here's a report detailing the actions taken by the college:

- **Plantation Drive:** Initiated a plantation drive across the college. Various native trees and plants have been planted to enhance the green cover of the campus, which will contribute to better air quality and aesthetics.
- **Anti-Tobacco Campaign:** Imposed a strict ban on tobacco consumption within the college premises. Organized awareness sessions highlighting the detrimental effects of tobacco on health. Posters and banners have also been placed at strategic locations for continuous awareness.
- **Energy Conservation Initiative:** Educated students and faculty about the importance of energy conservation. As a reminder, posters have been put up in classrooms, labs, and corridors to switch off lights and fans when not in use. Regular checks are being conducted to ensure compliance.
- **Cleanliness Drive:** Reinforced the significance of cleanliness through workshops. Scheduled monthly cleanliness drives where students participate actively in picking up litter like plastic packets, paper bits, etc., from the college premises. Dustbins have been strategically placed to encourage proper disposal.
- **Waste Management Lectures:** Arranged guest lectures focusing on the crucial topics of E-waste, solid waste, and liquid waste management. These sessions provided insights on the best practices for waste management and the importance of sustainability.

This report underscores our commitment to environmental sustainability, health awareness, and fostering a responsible attitude among our students and staff. We aim to continuously adopt and promote such initiatives for a greener and cleaner future.

## ACTION TAKEN REPORT 2021-22

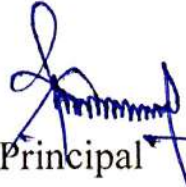

### ON GREEN AUDIT

Based on the recommendations provided by Nutan Urja Solution, here's a report detailing the actions taken by the college:

- **Plantation in College Premises:** Numerous saplings have been planted across the college premises, with the participation of students and faculty members. We've also set up a maintenance schedule to ensure the well-being of the plants.
- **Ban on Tobacco Consumption:** A strict ban on tobacco consumption within the college premises has been enforced. Signage has been put up to remind students of the ban. In addition, awareness sessions about the harmful effects of tobacco on health have been incorporated into the curriculum.
- **Energy Saving Initiative:** An educational campaign on the importance of energy saving has been launched. Students and teachers have been educated about the environmental and financial benefits of conserving energy. Reminder stickers have been placed near switches to remind individuals to turn off lights and fans when not in use.
- **Cleanliness Drive:** A monthly cleanliness drive has been initiated. Students have enthusiastically participated in picking up plastic packets, paper bits, and other waste. Dustbins have been strategically placed around the college to ensure litter-free surroundings. The importance of cleanliness and its impact on well-being has been taught to students.
- **Guest Lectures on Waste Management:** Expert speakers have been invited to deliver lectures on E-waste, solid waste, and liquid waste management. These lectures have provided valuable insights to students on best practices and the importance of waste management in an urban environment.

We remain committed to the continuous implementation and improvement of these initiatives to ensure a sustainable and responsible educational environment.
