Vision of the Institution

“The institution envisions moulding of students who have humanitarian views, scientific approaches and are firm believer in positive social change. Such inspired youth will uphold the human values of liberty, equality and fraternity, and also shoulder the responsibilities of taking nation to greater heights.”

People’s welfare society was established in 1967 by the backward community youths inspired by the Life Mission and Works of Dr. Babasaheb Ambedkar. It was the time when there were no higher educational institutes available here in the periphery of ten kilometers. Establishment of PWS College enhanced the chances of backward community students and especially girls to reach the higher education. The Vision, Mission and objectives clearly indicates college policy towards teaching and learning in the college campus.

The main mission of the institution is to provide access to higher education to the marginalized sections of society of the surrounding areas, irrespective of caste, creed and gender. The college provides ample opportunities particularly to the weaker sections and economically backward classes. The college provides necessary infrastructural and other facilities to ensure that the stated objectives of the curriculum are achieved. From time to time feedback is collected from the stakeholders to know whether the college is fulfilling their needs and meeting their expectations.

The majority of the students are come from socio-economically weaker sections in the north part of the Nagpur. Since college has a very easy process of admission and favourable conditions for the backward community students in the light of scholarships, free-ships and low admission fees, it attracts a large number of students in this region.

Various strategies and provisions to attract students are as follows:
