Action Taken Report on Students Satisfaction Survey Report 2021-22

Session 2021-22 was offline mode therefore, students attended college regularly , In the wake of off line mode students survey is taken online for consideration.

Description	Action	Outcome
About Infrastructure in College where 89. 9% of students are satisfied and some 5.1% students are not satisfied.	College ICT infrastructure improved.	Students' accessibility of College ICT infrastructure was increased.
About transparency about college exam and results. 85% are satisfied and about 7% students are not satisfied	All university examination Time table are uploaded to College website and Quick links of University result portal was given. Teachers are asked to communicate exam related information to students on WhatsApp groups.	Students got easy access to University examination related information from college website.
About Que no. 3, 4, 5 & 9 which are related to study material	College has already uploaded study material to college website and Video Tutorial were uploaded on two YouTube Channels. Yet Teachers are asked to update the teaching related online material for students.	Most of the study material and video tutorial helped students in the preparation of University examination under lockdown.
About Pre-course counselling before examination.	Due to online mode Teachers were asked to counsel students individually. Also Some student's workshops were introduced through online classroom.	Most of the Students queries related examination and preparation of the course was looked after up to the level of students satisfaction.
About Que no 7, 8, & 10 on Teaching learning. Only 1.5 to 2% of the students only were not satisfied.	Due to Online teaching in the Covid 19 Lockdown, all teachers were handling classes online. Teachers who were struggling with online mode of teaching were already given a Faculty Development programme for handling Online resources and teaching Platform	With a years' time most of the teachers cope with the online mode of teaching and helped improve the college online resources for students.
