1.1.1: The Institution ensures effective curriculum planning and delivery through a well-planned and documented process including Academic calendar and conduct of continuous internal Assessment

Dr. Madhukarrao Wasnik PWS Arts and Commerce college is affiliated with RTM Nagpur University. College follow curriculum given by the University. College action plan for implementation curriculum is based on University and College level Academic calendar. College prepare its Academic calendar every year and it is uploaded to college website. As a matter of practice, each department also prepare its own Academic calendar following the College streamline dates given in the College Academic Calendar. All departmental activities related to teaching-learning and co-curricular activities are student centric and time bound. The academic calendar in the department prepared in departmental meeting in the beginning of the session. Different co-curricular activities are run through Study Circle formed annually through Students' body. Teachers of the department also share responsibility to lead certain activity decided in the departmental meeting. Follow up meeting also conducted in the department to ensure implementation of the departmental academic plan. On college level, Staff Council meeting, Meeting with Principal and IQAC meeting with Staff time to time ensure the effective implementation of the college academic calendar.

To ensure effective teaching learning in the campus, College has a routine practice of maintaining Teachers' diaries, attendance books and formats of Teaching Plan for the session by every teachers. Teachers are asked to share teaching plans with HoDs weekly. The teaching plan is equipped with given curriculum for the session in the course, classroom method, LCD (Power Point based teaching), Group discussion, interactive, and different innovative methods. Teachers are also asked to submit Teachers' Profile at the end of the session to give the work done through the previous session including individual research.

In the beginning of the session, some departments initiate bridge courses so that entry level students (Fast & Slow Learner) may cope with the university curriculum. As per the university curriculum theory and tutorial are properly divided by the time table committee. Students are introduced to the library and online resources through the subject teachers. Language Laboratory, Network Resource Centre, Central Computer Laboratory all offers internet access to students.

Problem solving exercises, Students Seminar, field visits, students project works, surveys and excursion including industrial visits are organized regularly to make the learning more effective and student centric. To ensure the proper teaching learning conduct in the college and to maintain the departmental records Internal Academic Audit is conducted annually in the month of April by the committee.

College Teachers are on various university bodies like Academic Council, Senate, Board of Studies, Task Force, Paper Setting, Moderation, Valuation etc. therefore, all senior college teachers are quite involve in syllabus and curriculum framing at University level in their subjects. The expertise in the subjects help effective curriculum delivery in college. They constantly help rest of the teachers with right methodology and classroom activities. HoDs and senior teachers in the department meeting discuss teaching Plan and right teaching methods and they often organize students activates based on the syllabus.
