7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust

Vision of the Institution:

“The institution envisions moulding of students who have humanitarian views, scientific approaches and are firm believer in positive social change. Such inspired youth will uphold the human values of liberty, equality and fraternity, and also shoulder the responsibilities of taking nation to greater heights.”

Mission

1. To give advanced but affordable education so that the poorest of poor student could avail it.
2. To promote marginalized students towards professional courses and all round development of personality.
3. To create environment of research through various training programmes, class assignments, workshops, seminars, and projects.
4. To undertake different educational programmes and projects jointly with other institutes for the benefit of students. Promote and stimulate students to become responsible citizen and entrepreneurs.

People’s welfare society was established in 1967 by the then backward community youths inspired by the Life Mission and Works of Dr. Babasaheb Ambedkar. It was the time when there were no higher educational institutes available here in the periphery of ten kilometers. The founder chairman of the institution was the young Physician, who was practicing in the north Nagpur region where he saw struggles of young men for getting higher education. Girls especially were not able to go to distant colleges due to no commutation facilities were available. Establishment of PWS College enhanced the chances of backward community students and especially girls to reach the higher education. The Vision, Mission and objectives clearly indicates college policy towards teaching and learning in the college campus.

The main mission of the institution is to provide access to higher education to the marginalized sections of society of the surrounding areas, irrespective of caste, creed and gender. The college provides ample opportunities particularly to the weaker sections and economically backward classes. The college provides necessary infrastructural and other facilities to ensure that the stated objectives of the curriculum are achieved. From time to time feedback is collected from the stakeholders to know whether the college is fulfilling their needs and meeting their expectations.

The majority of the students are come from socio-economically weaker sections in the north part of the Nagpur. Since college has a very easy process of admission and favourable conditions for the backward community students in the light of scholarships, free-ships and low admission fees, it attracts a large number of students in this region.

Various strategies and provisions for students from Socio-economically weak students are as follows:

1. Lowest fees to backward community and disabled students
2. Scholarships and free ships for all category backward community students
3. Scholarships and financial help to disabled and special need students
4. Concession in Fees to economically weak students who are not eligible for scholarships or free-ships
5. Track Suits and Sports to poor students and performers
6. Book Donations by Library for poor students
7. Audio recording to Visually Challenged students
8. Long Hours of reading room during examinations (from 7.15 am to 8. pm) from poor student who has no study environment in home which is surrounded in densely populated slums
9. No conditions for more attempts in qualifying examination for students taking admission
10. In case of open students and payee students, tuition fees allowed in two / three installments
11. Various guest lectures to inculcate the values in students
12. Coaching for Competitive examinations and Personalized guidance through departmental activities
13. Value added courses are organized round the year for skill development.
14. Incubation Centre by Women's cell for Self-help Groups to give them a urban market through Women's entrepreneur's Expo in College
15. Annual BAGAP Job Fair not only for college students but for students from the region

Special Works in 2021-22

Online Study material Repository for College Courses:

During Covid 19 Lockdown students are stranded in their homes and remote places. College teachers came to their rescue with online teaching. At the same time college teacher started developing their digitize study material. The material of all the course run in the college were uploaded on the college website in the PDF format. Teachers also recording their live lecture to college YouTube channel “PWS Teacher” and DMWPWS Webinars” the result of the efforts taken by the teachers yield into excellent results of college students in the university results.

College NSS Team as Covid Yodha :

During Covid 19 Lockdown when fear of deadly congenial disease was spread like wildfire, and cases of disease was increasing it was necessary for government to increase awareness in the local areas. Local institutions line Police dept, Nagpur Municipal Corporations and NGOs required help from the social workers in the campaign. College NSS team took initiative by enrolling themselves as the Covid Yodha. College Teachers, and students enrolled as Covid Yodha. They worked for the awareness campaign in the dangerous situation. They helped old people, disabled, and localities in ensuring tests and vaccines.

Report of Incubation Centre: Establishment of Incubation Centre (04/012/2020)

An Incubation Centre was established on 04/012/2020 in association with Women's Cell, Department of Economics and Utkarsha for the Economic Development of women and to bring women students of the college in to self-employment and in cottage industry. *The main objective of this Incubation Centre in the college is 'Economic Empowerment of Women'*. Under this centre efforts are being made to conduct mentoring lectures, workshops, training in manufacturing of various products, visiting women's self-help groups, improving the quality of their products, getting their products into the market and guiding girls students in the college to enter in the field of self-employment and in industrial sector etc. In this year various women's self-help groups were visited and a women's Entrepreneurship fair was organised under this.

MoU with Drushti Mahila Bahuuddeshiya Sanstha

To reach out to the Women's self-help group to achieve the objective of the Incubation Centre, a MoU was signed with the collaboration of Women's Cell and Department of Economics on 09/12/2020 with Drusti Mahila Multi-Purpose Organisation. Smt. Sangita Chauhan is the chairperson of Drushti Mahila Bahuuddeshiya Sanstha and working as director of Vidarbha level Women Self Help Groups.

Under this MoU visits were made to various Women's self-help groups in neighbouring villages, understood their problems and guidance was given for their production. Also Women Entrepreneurship Fair were organised for women self-help groups to popularize their home made products and to provide a platform in the city. Women's entrepreneur's Expo turn out to be success where more than hundred Self-help groups from the corners of Vidarbha region participated to showcase their products and earn handful of earning by sell.

MoU with Rohini Foundation (03/03/2022)

Women's Cell and Department of Economics of the college signed Memorandum of Understanding with Rohini Foundation on 3rd March 2022. The main objectives of this MoU is to provide Health and Employment to poor and needy women students and making efforts to create employment opportunities in skill based sectors, conducting training camps, orientation lectures for women of women's self-help groups and visiting women self-help groups in rural areas and encouraging them for health and employment.

Incubation Activity I:

Two Days Women Entrepreneur's Expo (25- 26 February 2022)
