

Dr. Madhukarrao Wasnik
PWS Arts and Commerce College,
Kamptee Road, Nagpur-26

7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust

Vision of the Institution:

“The institution envisions moulding of students who have humanitarian views, scientific approaches and are firm believer in positive social change. Such inspired youth will uphold the human values of liberty, equality and fraternity, and also shoulder the responsibilities of taking nation to greater heights.”

Mission

1. To give advanced but affordable education so that the poorest of poor student could avail it.
2. To promote marginalized students towards professional courses and all round development of personality.
3. To create environment of research through various training programmes, class assignments, workshops, seminars, and projects.
4. To undertake different educational programmes and projects jointly with other institutes for the benefit of students. Promote and stimulate students to become responsible citizen and entrepreneurs.

People’s welfare society was established in 1967 by the then backward community youths inspired by the Life Mission and Works of Dr. Babasaheb Ambedkar. It was the time when there were no higher educational institutes available here in the periphery of ten kilometers. The founder chairman of the institution was the young Physician, who was practicing in the north Nagpur region where he saw struggles of young men for getting higher education. Girls especially were not able to go to distant colleges due to no commutation facilities were available. Establishment of PWS College enhanced the chances of backward community students and especially girls to reach the higher education. The Vision, Mission and objectives clearly indicates college policy towards teaching and learning in the college campus.

The main mission of the institution is to provide access to higher education to the marginalized sections of society of the surrounding areas, irrespective of caste, creed and gender. The college provides ample opportunities particularly to the weaker sections and economically backward

classes. The college provides necessary infrastructural and other facilities to ensure that the stated objectives of the curriculum are achieved. From time to time feedback is collected from the stakeholders to know whether the college is fulfilling their needs and meeting their expectations.

The majority of the students are come from socio-economically weaker sections in the north part of the Nagpur. Since college has a very easy process of admission and favourable conditions for the backward community students in the light of scholarships, free-ships and low admission fees, it attracts a large number of students in this region.

Various strategies and provisions for students from Socio-economically weak students are as follows:

1. Lowest fees to backward community and disabled students
2. Scholarships and free ships for all category backward community students
3. Scholarships and financial help to disabled and special need students
4. Concession in Fees to economically weak students who are not eligible for scholarships or free-ships
5. Track Suits and Sports to poor students and performers
6. Book Donations by Library for poor students
7. Audio recording to Visually Challenged students
8. Long Hours of reading room during examinations (from 7.15 am to 8. pm) from poor student who has no study environment in home which is surrounded in densely populated slums
9. No conditions for more attempts in qualifying examination for students taking admission
10. In case of open students and payee students, tuition fees allowed in two / three installments
11. Various guest lectures to inculcate the values in students
12. Coaching for Competitive examinations and Personalized guidance through departmental activities
13. Value added courses are organized round the year for skill development.
14. Incubation Centre by Women's cell for Self-help Groups to give them a urban market through Women's entrepreneur's Expo in College
15. Annual BAGAP Job Fair not only for college students but for students from the region
